V-Series Performance Clutches

V-1 = Sprung hub full face organic street disc designed for ultimate drivability and performance.

V-2 = Sprung hub ceramic 6 puck designed for high-power builds used on the street or track.

Each V-Series Kit features:

-Sprung hub design to reduce vibration, lower engagement shock and deliver quieter operation. Hub springs caged for additional support and safety.
* V1 discs feature a reduced marcel for faster, crisper shifts.

-High Quality disc, with steel backed linings for increased burst strength and premium friction materials for better engagement, increased heat resistance, faster recovery and extended clutch life.

-Balanced and tested pressure plate with increased clamp load and strength over stock, while delivering stock to moderate pedal feel.

-Clutch pressure plate, spring and hub materials assembled with stout hardware resulting in extreme durability and consistency.

-Complete with pressure plate, disc, release bearing and alignment tool in most applications.

-SFI Approved in most applications.

Anatomy of a Fidanza Short-Throw Shifter

REDUCED THROW
 - Throw reduced by up to 37% over stock
 - Provides faster, smoother shifting for performance driving or everyday use.
 - Reduces shifting fatigue on arms and upper body.

SILICONE DAMPER* (Reduced NVH Factor)
 - Reduces noise, vibration and harshness for enhanced driving pleasure and smooth operation.

SEALED CARTRIDGE BEARINGS*
 - Offers long life performance and durability from day one.
 - Resistance to wear out performs the competition

HIGH QUALITY 304 STAINLESS STEEL CONSTRUCTION
 - Precision fit and finish using tight tolerances and CNC machining.
 - Super smooth form and function for quick, effortless shifting.
 - Strongest and most durable shifter construction.

INSTRUCTIONS INCLUDED
 - Includes pictures and step-by-step instructions, for easy, pain free installation.

*Standard on most models

SHIFTERS

SHIFTERS

NOTES

1	Replacement of dual mass flywheel may cause added gear noise
2	Designed for aftermarket stacked style clutch. Check for fitment.
3	1996 and up must use 1995 clutch and flywheel mounting bolts (not included)
4	Call for complete application list
5	External balance weights are included in the hardware kit supplied with the flywheel 1986-1988 models must use original Mazda part #N327-11-521A (not included)
7	1989-1995 models must use original Mazda part #N351-11-521 (not included) 2004-2006 models must use original Mazda part #N3Z2-11-52X (not included)
8	Confirm fitment before installation For 383 or 400 C.I.D. engine must use part #624001 balance plate
9	For 454 C.I.D. engine must use part #624541 balance plate For 502 C.I.D. engine must use part #625021 balance plate
10	Includes 10.4" clutch pattern
11	Includes 10.4" & 11" clutch patterns
12	Includes 8.5", 9" & 9.5" clutch patterns
13	Includes 10.5" Borg & Beck and 10.5" Metric clutch patterns
14	Includes 10.5" & 11" Long Style and 11" Diaphragm clutch patterns
15	Includes 11" & 11.5" 3-Finger and 11" Diaphragm clutch patterns
16	Includes 10.5" & 11" 3-Finger and 11" Diaphragm clutch patterns
17	Includes 10", 10.5" & 11" 3-Finger and 11" Diaphragm clutch patterns
18	Use of locating dowels for clutch not necessary
19	Use 95 Neon 2.0L standard transmission flywheel mounting bolts
20	Application requires two (one pair)
21	Re-use OE bolt on ring gear
22	Except reverse mount clutch/flywheel assembly
23	SOHC requires one
24	Please call for release date details
25	Must use VW/Audi Part N907-059-01, Flywheel to crankshaft bolts for safe and proper installation
26	If friction surface has an 11.75" dia., use part #221171 If friction surface has an 11" dia., use part #221101
27	If friction surface has an 8.75" dia., use part #228751 If friction surface has a 9" dia., use part #229001
28	If friction surface has a 9.85" dia., use part #229851 If friction surface has a 9.5" dia., use part #229501
29	If friction surface has a 5.075" inner dia., use part #228501 If friction surface has a 5.875" inner dia., use part #228591
30	Fits exhaust side only
31	Fits both intake and exhaust cams on 90-97 models. Fits exhaust cams only on 99-03 when stock ECU is used
32	360 CID must use included weight
33	If friction surface has a 9.00" outside diameter, use part #229001 If friction surface has a 9.25" outside diameter, use part #229251
34	Vehicles older than 1986 do not use Delrin Carrier Bushings
35	Stock selector rod may require modification in vehicles equipped with harmonic balance ring
36	Oval bushings used from 4/92+
37	To mount F-Body 6-spd to 2 pc rear main seal engine, 153 RG
38	To mount Corvette ZF 6-spd to 2 pc rear main seal engine, 153 RG
39	To mount old-style large bellhousing 3 & 4 spd trans. To '86+ 1 pc rear main seal engine, 168 RG
40	Converts LSX 8 bolt crank engines to LS1 style clutches. Dual clutch pattern; 11" & 10.4"

FIDANZA ENGINEERING CORPORATION TERMS & POLICIES

ORDERING:

1. All orders must be confirmed by a written purchase order and signed by an authorized agent of the company.
2. Any account not on NET terms must be pre-paid or shipped C.O.D. A company check is not accepted for C.O.D. orders without prior approval.
3. Minimum order is \$500.00.
4. All orders must be sent to: Fidanza Engineering Corporation 4285 Main Street Perry, Ohio 44081 USA Telephone: 440-259-5656 Fax: 440-259-5588 email: sales@fidanza.com

TERMS:

1. A discount of 2% will be given to approved Net 30 invoices that are paid within 10 days of the invoice date. All Net 30 invoices are payable from the invoice date.
2. A late charge of 2% (24% annually) will be added to all past due invoices.
3. Fidanza Engineering Corporation reserves the right to terminate any account that fails to make payment when due. Any account that is past due more than 60 days will no longer be considered an active account and all invoices due will be turned over for collection. Collection fees incurred will be paid by the debtor as well as any incurred legal fees.

FREIGHT:

1. All Fidanza Engineering Corporation shipments are F.O.B. Perry, Ohio 44081.
2. Fidanza Engineering Corporation reserves the right to choose the carrier on all prepaid shipments.
3. Drop shipments will be allowed with pre approval and are subject to a \$10.00 handling charge per dropship location.
4. All shipping discrepancies must be reported within (5) business days of receipt of shipments.

RETURN POLICY:

1. Any unauthorized return will be refused. You must call and receive a RGA number (Return Goods Authorization). This number must be displayed next to your return address and on the outside of your shipping container.
2. Fidanza Engineering Corporation will not accept returns over 30 days. There will be no exceptions.
3. Fidanza Engineering Corporation will not issue a cash refund on any merchandise returned. All returns will be used for future orders.
4. Defective merchandise will be exchanged upon receipt of said merchandise.
5. There is a 20% restocking fee on accepted returns, this excludes cores and special orders.
6. Special ordered items require a 50% deposit and normally are non-returnable. They also can not be canceled due to the fault of Fidanza Engineering Corporation or their supplier or their supplier of said merchandise.
7. All orders must be inspected upon receipt. Damages should be reported to the carrier immediately when the shipment is received. Damaged goods are the responsibility of the shipping company and it's the customer's responsibility to make claims with the shipping company when damage occurs.
8. All returns must include a copy of the original invoice or they will be returned. No credit will be issued.
9. Stock adjustments, of product in "as new" sellable condition, may be no more than 5% of previous year's purchase with an offsetting order.

LIMITED WARRANTY:

Except for high performance parts, seller warrants this merchandise to be free from defects in material and workmanship for one year from date of purchase. This limited warranty is in lieu of all other warranties, expressed or implied, including, but not limited to, warranty of merchantability, and warranty of fitness for a particular purpose. SELLER DISCLAIMS ALL RESPONSIBILITY FOR CONSEQUENTIAL, INCIDENTAL, OR COMMERCIAL LOSSES, INCLUDING LABOR CLAIMS from use of this merchandise. If the merchandise fails to conform as warranted, deliver or ship it to seller, freight prepaid, along with proof of purchase and note explaining defect, defective, merchandise will be repaired or replaced free of charge, or credit given at seller's option. This warranty shall be interpreted and applied in accordance with Ohio law.

TERMS OF SALE:

No returns are accepted after 30 days. You must have your invoice and a return authorization number. Call to receive authorization number and return instructions from salesperson. 20% restocking fee for return of correct parts. No returns on electrical, special orders, or shipping.

HIGH PERFORMANCE PARTS, SERVICE AND INFORMATION EXCLUDED FROM WARRANTY:

Due to the unusual stress placed on high performance parts, and because of the circumstances under which they are often used, high performance parts are sold without warranty, AS IS, WITH ALL FAULTS, and all warranties, expressed or implied, of merchantability, or of fitness for a particular purpose, or otherwise are expressly disclaimed and denied.

NO INDEPENDENT REPRESENTATIONS OR AGREEMENTS.

There are no agreements outside of this written contract, except as the parties have elsewhere agreed in writing, nor has either party been induced to enter this agreement as the result of any oral representation or promise. Each party has relied on his own expertise and knowledge in entering this contract and each party acknowledges the consideration for the contract to be valuable and sufficient.

DUTIES:

The duty of Fidanza Engineering Corporation to the customer is strictly contractual and shall in no way exceed the duties accepted herein, and where there appears an ambiguity in the contract language, the same shall be construed to limit the duty of Fidanza Engineering Corporation.

CONSENT TO JURISDICTION:

The parties agree that any dispute arising out of parts, service or information provided by Fidanza Engineering Corporation shall be decided by the courts of the state of Ohio and that no other court shall have jurisdiction over said dispute. Fidanza Engineering Corporation maintains no sales force, service facility or agents outside the state of Ohio.

EMISSION CONTROL COMPLIANCE:

Customers are responsible for emission control compliance (if any) of Fidanza Engineering Corporation's engine and/or other components in their locality.

Effective July 01, 2012. Supersedes all previous policy statements. Policies are subject to change without notice.
